How are some BBA/BBS test prep institutes run by Ex-CBS students sourcing their faculty?

This is how freelancers/ MBA dropouts/students waiting to join their first jobs suddenly become mentors!!!

Read the shocking message posted on the internet (Facebook) on January 14, 2010 Given here is a screen shot — the shocking message as seen on our computers....

Subject: Work Opportunities in Entrepreneurial Setups

Hi Frnds,

Just wanted to let you all knw that we are looking for people who would want to work Full Time/Part Time or as a Freelancers in the following fields. Some of the requirements r for my own venture and others for frnds's venture. Teaching: My frnds venture: EduMentor is looking for faculty members in the area of Maths, English, General Awareness, Business Aptitude, Media, Law, & Personality Development. Mainly for post class 12th entrance exam preparation. The requirement is mainly in the months of April and May. For around two months the candidate can expect to get a minimum of 1 lakh commitment. (The timings are best for people who are completing their MBA's this year and coming back to Delhi, so before joining their jobs they can take this up. Also people who plan to join MBA colleges this year and are free before they join, they can also utilize this time.)
